The Reher Center has the only gallery in the Hudson Valley dedicated to our region’s immigrant stories past and present.

The space functioned as a hayloft or storage for nearly 100 years. We opened it to the public as a Gallery, Classroom, Visitors Center, and Office in 2018. We have hosted 7 exhibits, 30 public programs, and served more than 600 school children, despite our site lacking bathrooms or running water.

A brilliant team of professionals has donated their expertise to draw up plans that make the space fully functional and safe for our needs!

Now we need your help to fund the materials and labor.

With your support, we will:

- Finish building our bathrooms and create a kitchenette for events
- Install electricity along the south side of the Gallery and enhance lighting for exhibits and events throughout the space
- Install drywall on the ceiling and some walls, and seal the bricks to improve air quality
- Invest in green HVAC systems
- Shore up and seal floor, and replace broken floorboards
- Create an office space for our staff

We will come together again for programs that share stories of struggle and resilience, celebrate our diversity, and reveal how very much we have in common.
